

RAY OF HOPE IN A HOPELESS LAND

Two female students going home in the community of Khashem Al Daraj where the kindergarten is being built.

Dear all:

Since the last time we have sent you an update on the progress of the kindergarten, progress has taken place at an impressive rate. The following pics provide the latest development until early June, 2011.

The Old kindergarten looms in the background. Please note that the aforelisted pictures were taken on May 12, 2011.

Progress on the building of the kindergarten as of June 1st, 2011.

WORK CONTINUES....
